

Fats and Oils and Animal Proteins Desktop Reference Booklets

Offering a Graphical Summary of the last 5 Calendar Years

You will want to have these *Desktop Reference Booklets*, which give you a graphical history of each of the byproducts. These desktop reference booklets will identify how these markets have functioned allowing you to utilize this information to improve your bottom line whether you sell or buy. Order now to gain this advantage!

The Fats and Oils booklet features matrixes for fats used as a feedstock for biodiesel production showing index profit margins at various price levels of crude and heating oil.

INCLUDES GRAPHS DISPLAYING:

FATS and OILS

- 5-year monthly price history...
- 5-year monthly average price graph...
